

2011 NET IMPACT CONFERENCE

OCTOBER 27-29 • PORTLAND, OR

GOOD WORKS. When profits align with the interests of society and the planet, everyone benefits. But the journey isn't always easy. In fact, it often takes us in surprising directions. This year's Net Impact Conference will spotlight the many unexpected places people find where good works.

JOIN US IN PORTLAND TO EXPLORE

- Where creative problem solving and playful approaches lead to serious solutions
- Where sustainable innovations are championed by those you least expect
- Where unlikely partnerships accelerate change

ABOUT THE NET IMPACT CONFERENCE

For nearly 20 years, our conference has brought together today's changemakers and tomorrow's leaders to discuss changing the world through business.

With more than 2,600 MBAs, undergrads, and professionals uniting under one roof, the Net Impact Conference is the largest and most inspirational event for people using their business skills for social and environmental good.

 **2,600** ATTENDEES
 **300** LEADING SPEAKERS
 **100** PANELS & WORKSHOPS
